

# FIRST-YEAR EXPERIENTIAL ACTIVITIES

**Healthcare** Unity Point Health will give students a virtual tour and walk through of COVID-19, highlighting the various careers and opportunities available in a hospital.

## **Ag, Natural Science, and Sustainability**

Students will get to watch a video and hear from panelists as they explore various parks, wildlife, and careers at Stone State Park, The Nature Conservancy, and The Dorothy Pecaut Nature Center.

**Business and Accounting** Sterling Computers Corporation will highlight their collaborative and modern work environment while showcasing a variety of careers they offer including: accounting, marketing, management, finance, and sales.

## **Education, Counseling, and Youth Development**

This session will introduce students to the advances being made at the Sioux City Career Academy in teaching, counseling, and more.

## **Law, Government, and Social Service**

The Sioux City Police Department will share a video of Morningside professors using their action simulator. Students will also get to hear from criminal justice panelist.

## **Arts, Media, and Communication**

Morningside's Young Alumni Panel will discuss social media management, public relations, entrepreneurship, and videography.

**Data and Technology** Great West Casualty is on the cutting edge of data and analytics. Students will learn how their data is applied and what they project for the future.
