## SCHOLARSHIP AUDITION REQUIREMENTS

### Choral

The Morningside College Choral/Voice Talent Award audition atmosphere is welcoming, encouraging, and supports students from all singing backgrounds.

#### Audition Guidelines for Music Majors

- Each student will present one vocal solo from memory. The selection may include an art song in any language, or a Broadway musical selection. Songs may be performed with or without piano accompaniment and may be between 2-4 minutes in length. If a student intends to sing a solo with piano accompaniment, please email a copy of the sheet music to Dr. Ryan Person at least five (5) days prior to the audition.
- Auditioning students will also complete basic sight reading examples as well as tonal memory exercises, in which a series of pitches will be played on the piano and the student will sing them back.
- The audition will be heard by one choral or voice faculty member.

#### Audition Guidelines for Non-Music Majors

- Each student will present one vocal solo. The selection may include, but is not limited to, an art song in any language, Broadway musical selection, familiar hymn, or another song of choice. Songs may be performed with or without piano accompaniment and may be between 1-4 minutes in length. If a student wishes to sing a solo with piano accompaniment, please email a copy of the sheet music to Dr. Ryan Person at least five (5) days prior to the audition.
- The audition will be heard by one choral or voice faculty member.
