SECURITY REPORT INTRODUCTION

Morningside College and the Sioux City community are relatively safe environments. Even so, we fully recognize the potential for crime and accidents. We are constantly taking proactive approaches to minimize the risk and enhance the security and safety of the entire campus community – students, faculty, staff, alumni and visitors.

However, the college staff cannot do this without help from everyone, including the students. People must take responsibility for their own safety and belongings and also the safety of their neighbors. Anyone who observes suspicious activity should report it immediately to Campus Security and Safety. People should be aware of the potential for loss or theft if personal items are left out in the open and not guarded.

At no time does Morningside College assume any responsibility for theft, damage or loss of money, valuables or personal property. We strongly encourage students to check with their families concerning coverage under their homeowner/renter policy and to purchase insurance if necessary.

Morningside College is a private institution. Campus facilities are for the use of Morningside College students, staff and faculty and their guests. The Department of Campus Security and Safety works closely with the college’s physical plant, residence life and administrative staffs to establish appropriate levels of security. Safety and security issues within the buildings should be reported to campus security or the building custodian as quickly as possible.

CAMPUS SECURITY OFFICE

Campus Security and Safety is the administrative office at Morningside College that is responsible for security and safety. It includes a director, assistant director, and 20-25 part-time student secretaries and officers. The Director reports to the Associate Vice-President of Business/Controller. Campus Security employees are not sworn or commissioned officers. They do not carry weapons. They do not have arresting authority. The Sioux City Police Department, Woodbury County Sheriff’s Office and the Iowa State Patrol handle all arrests. All on-duty personnel wear a distinctive security uniform. They provide basic security services to the campus community and are on duty 24 hours a day 365 days a year. Members of the Campus Security and Safety staff attend training programs specifically designed for security personnel.

Campus security has a close working relationship with the Sioux City Police Department. All major crimes (felonies) are reported to the Sioux City Police Department, which assumes responsibility for any investigation that may be necessary as soon as possible. In the case of emergencies, the Sioux City Police Department is notified immediately.

The Campus Security and Safety office is located in the Olsen Student Center, just inside the main front doors or in the HJF Learning Center in the back hallway. The phone number for Campus Security is 712-274-5234 or just 5234 from a phone on campus. Security and Safety staff members are available either in the office or by calling the Security and Safety number, which will reach them through the radio.
General services provided by Campus Security and Safety are walking and vehicle patrols, response to criminal and non-criminal activity, escorts, jump-starts and unlocking vehicles. Security officers make routine patrols of campus buildings and check exterior doors and windows of buildings. They also monitor the mechanical rooms of each building and report any potential problems to the Director of Physical Plant.

Campus Security and Safety maintains a daily and monthly log of reported crimes written in a form that is easily understood. The log is available to the public for inspection in the Campus Security and Safety Office located in the Hickman-Johnson-Furrow Learning Center. The daily and monthly logs provide the nature, date, time and general location of each crime. Additionally, the disposition of the complaint is given, if known. Information, including updates, is added as the information becomes available. If there is clear and convincing evidence that the release of such information would jeopardize an ongoing criminal investigation or the safety of an individual, cause a suspect to flee or evade detection, or result in the destruction of evidence, such information may be withdrawn until the damage is no longer likely to occur from the release of such information. As a matter of policy, names are not included in the monthly log.

POLICIES AND PROCEDURES

CAMPUS LAW ENFORCEMENT
Morningside College Campus Security and Safety officers have the authority to ask individuals for identification and to determine whether individuals have lawful business at Morningside College. Morningside College Security and Safety officers have the authority to issue parking tickets, which are billed to financial accounts of students, faculty, and staff. Security and Safety officers do not possess arrest power. Criminal incidents are referred to the Sioux City Police Department who has jurisdiction on the campus. The Campus Security and Safety Department maintains a highly professional working relationship with the Sioux City Police Department and other law enforcement agencies in the area. All crime victims and witnesses are strongly encouraged to immediately report crimes to Campus Security and Safety and the Sioux City Police Department. Prompt reporting will assure timely warning notices on-campus and timely disclosure of crime statistics.

REPORTING CRIMINAL ACTIVITY AND EMERGENCIES
Any emergency situation or knowledge of a crime should be reported immediately to Campus Security and Safety by calling 712-274-5234 or by going to the Security and Safety Office located in the Olsen Student Center. When calling either number, you should stay on the line until the appropriate authorities tell you to hang up. Campus Security is available 24 hours a day to answer your call. Once your call is received, Campus Security will take the appropriate action needed at the time of the incident. They will ask the victim to file a report with the appropriate authorities at the time as well.

All Campus Security reports are forward to the appropriate people for further action. This may include Residence Life, Campus Judicial Officer, Business Office, and in some cases, the Sioux City Police Department. Additional information collected during the investigation is always
forwarded to the Sioux City Police Department unless the victim does not wish to pursue
criminal charges.

If assistance is required from the Sioux City Police Department, Sioux City Fire Department, or
the Siouxlnd Paramedics, Campus Security and Safety will contact the appropriate unit. If a
sexual assault or rape should occur, staff at the scene, including Campus Security and Safety,
will offer the victim a wide variety of services. Morningside College has access to a variety of
agencies that assist the victims in these situations such as the Council on Sexual Assault and
Domestic Violence (CSADV). At any time, anyone can ask about these resources through the
Director or Assistant Director of Campus Security, Provost’s Office, Campus Chaplain, Nurse,
or Counselor.

Crimes should be reported to the Campus Security and Safety Department or any of the
aforementioned personnel to ensure inclusion in the annual crime statistics and to aid in
providing timely warning notices to the campus community, when appropriate. A person may
still report a crime and not want to pursue criminal charges or campus charges.

PROMPT AND ACCURATE CRIME REPORTING
Students, faculty, staff, and guests are encouraged to report all crimes and public safety related
incidents to Campus Security and Safety in a timely manner. You may report this information by
calling Campus Security and Safety at 712-274-5234. If assistance is needed from the Sioux
City Police Department, they will be notified. If a sexual assault occurs, the victim will be
offered a variety of options from those responding to the incident. This publication contains
information about on-campus and off-campus resources available for those that are a victim of a
crime. Campus Security and Safety makes all attempts to keep information that would possibly
jeopardize an investigation confidential until such time is deemed that such information can be
released. In all cases names are left out of the daily crime log for the privacy of such individuals.
All Clery Act crimes are included in the Annual Security report.

Crime should be reported to the Campus Security and Safety Department to ensure inclusion in
the Annual Security and Fire Report and to aid in providing timely warning notices to the
campus and community when appropriate.

CONFIDENTIAL REPORTING PROCEDURES
If you are a victim of a crime and do not want to pursue action within the Morningside College system or the criminal justice system, you may still want to consider making a confidential report. With your permission, the Director of Security or a designee of the Campus Security and Safety Department can file a report on the details of the incident without revealing your identity. The purpose of a confidential report is to comply with your wish to keep the matter confidential, while taking steps to ensure the future safety of yourself and others. With such information, the College can keep an accurate record of the number of incidents involving students, determine where there is a pattern of crime with regard to a particular location, method, or assailant, and alert the campus community to potential danger. Records filed in this manner are counted and disclosed in the annual crimes statistics for the institution.

Campus Counselors as a result of the rulemaking process which followed the signing into law the 1998 amendments to 20 USC § 1092 (f), clarification was given to those considered to be campus security officials. Campus “pastoral counselors” and campus “professional counselors,” when acting as such are not considered to be campus security authorities and are not required to report crimes for inclusion into the annual disclosure of crime statistics. As a matter of policy, they are encouraged; if and when they deem it appropriate, to inform persons being counseled of the procedures to report crimes on a voluntary basis for inclusion into the annual crime statistics.

CRIME PREVENTION PROGRAMS
Crime Prevention Programs on personal safety and theft prevention are sponsored by various campus organizations throughout the year. At the beginning of the year, the Office of Residence Life, Facilities, and Campus Security and Safety meet with all students to go over building rules and during this time, students are talked to about personal safety in and out of the dorms. Campus Security and Safety personnel facilitate programs for students, faculty, staff, and student organizations, in addition working with Residence Life on programs for students on how to protect themselves against sexual assaults, theft, and other crimes. New employees are given similar information during their orientation. During the year, various crime prevention and safety related information is sent out to the entire campus in emails and posters across campus.

At all times, students, faculty, or staff can call Campus Security and Safety for an escort at night. Campus Security and Safety also encourages students to walk with others and not alone at night.
SECURITY AWARENESS PROGRAMS
Any time during the year Campus Security and Safety, Residence Life, and Counseling Services are able and willing to offer students programs concerning personal safety. Programs include safety in the residence halls and while on campus. Morningside College works with various local agencies and the local police department to present various programs for the benefit of the students, faculty, and staff at the College.

At all times, Campus Security and Safety stresses during the year and during the various programs safety starts with the student, faculty and staff member. Emails are sent out reminding the campus about safety starts with them and how they can help prevent crimes and protect themselves.

When time is of an essence, information may be sent via the Morningside Electronic Notification System, campus email, or signs posted around campus.

If anyone would like to schedule a program for their group, they are encouraged to contact Campus Security and Safety at 712-274-5234 or the Office of Residence Life 712-274-5390 which both will help in the planning of such program for groups or individuals.

RESIDENCE AND CAMPUS FACILITIES
The college has eight buildings classified as residence halls, each housing 8-350 students. Head Residents (HRs), Head Apartment Managers (HAMs), Apartment Managers (AMs) and Resident Assistants (RAs) are upper-class students who have been carefully selected and trained to assist individuals on the floor and help maintain a healthy educational environment in the buildings. Area Coordinators are professional members of the Residence Life team who live in the residence hall setting. The residence life staff receives training in basic security and emergency situations.

Residence halls are locked 24-hours a day. Residents may obtain entry using the keys or FOBs they were issued upon arriving at college. It is the responsibility of the student to ensure that his or her room is secure.

During Christmas Break, all students are required to vacate the halls except with permission from the Office of Residence Life. The halls are not fully staffed during this break, so keys are normally collected from students to limit access to the halls. All other breaks, students will not be asked to turn in their keys but will be required to notify their RA that they will be on campus at such time.

Hall meetings at the beginning of each term provide the opportunity for residents to learn about building security, campus and residential policies, and enforcement procedures.
All guests in the residence halls must have a student host and are subject to college policies and regulations. The host is responsible for the actions of and any damages caused by the guest. Overnight guests are usually permitted on the weekends but may not stay more than two consecutive nights. If a roommate objects to the presence of an overnight guest, that guest may not spend the night. Members of the opposite sex may only be on a floor or in a student room during visitation hours. However, main lounges in the residence halls are not subject to these restrictions. Visitation hours in the residence halls are from 10 a.m. to 1 a.m., Sunday-Thursday. There are no limits to visitation on Fridays and Saturdays except for first-semester freshmen, whose visitation on these days is between 10 a.m. and 2 a.m. Individual floors may choose to restrict hours even beyond the visitation guidelines set by the college.

All buildings are regularly inspected by Campus Security and Safety and by Maintenance to ensure that all emergency lighting is working properly. They also ensure that all alarms, doors, and locks are working properly. Outside security concerns are addressed regularly.

**FACILITY ACCESS POLICY**

During business hours, the College (excluding certain housing facilities) will be open to students, parents, employees, contractors, guests, and invitees. During non-business hours, access to all College facilities is by key/FOB if issued or by admittance via the Campus Security and Safety Department or the Residence Life staff. In the case of periods of extended closing, the College will admit only those with prior approval to all facilities.

Solicitation is strictly prohibited on campus unless prior approval is given by the Vice President of Student Life and Enrollment.

You can find more on the rule and regulations in the Student Handbook

ALCOHOL AND SUBSTANCE ABUSE INFORMATION

PREVENTION PROGRAMS
The College has developed a program to prevent the illicit use of drugs and the abuse of alcohol by students. The program provides services related to drug and alcohol use and abuse including dissemination of informational materials, educational programs, counseling services, referrals, and college disciplinary action.

Morningside College Residence Life and Personal Counseling Services provide the overall coordination of these programs. These programs include:

Alcohol and Drug Education: Programs by Residence Life staff and Personal Counseling services address issues of concern throughout the year.

Counseling Services: Morningside personal counselors will meet with students on alcohol and drug related issues.

Referral Services: if warranted, Residence Life and Counseling Services will have students seek off-campus counseling and referral services, usually at Jackson Recovery Services.

College Disciplinary Action: In most cases, disciplinary action will be taken including fines and in severe cases, removal of the student(s) from the college, including classes and the residence halls. The student does have the right and ability to appeal the action to the Judicial Officer and Judicial Committee.

Programs that were done during the year for Alcohol and Drug abuse education:

During orientation a speaker spoke on alcohol and other college topics.

During wellness week, had an improv group do a show based on alcohol education

Did an alcohol education carnival through residence life.
Educational event about alcohol where mocktails were made and had some people sneaking “roofies” (skittles) into drinks, and led a discussion about alcohol and sexual assault

Brought in a few people from AA to talk about what life is like for alcoholics.

**SEXUAL ABUSE - SEXUAL ASSAULT POLICY**
Morningside College is concerned about the safety and welfare of all campus members and guests and is committed to providing a living and learning environment, free of all forms of abuse, violence, harassment, and coercive conduct, including sexual misconduct. In an effort to promote the dignity and well-being of members of the campus community, the College is committed to addressing allegations of sexual abuse and/or sexual assault. The College will also provide educational programs to promote the awareness of rape, acquaintance rape, and other sex offenses. The College has developed this policy, which is consistent with the Student Right-To-Know and Campus Security Act, Public Law 101-542 (Clery Act), and State of Iowa Code 709

Morningside College will not tolerate sexual misconduct in any form. Sexual misconduct may include (but is not limited to) acquaintance or date rape, non-consensual sexual intercourse (or attempts to commit the same), non-consensual sexual contact (or attempts to commit the same), or sexual exploitation. Members of the Morningside College community are strongly encouraged to report all incidents of sexual misconduct. Reports of sexual misconduct received by the College will be taken seriously and will be investigated.

Acts of sexual misconduct may also have certain criminal and civil law repercussions. College personnel are available to assist victims in contacting law enforcement and emergency medical providers, if the student so chooses.

When Morningside College determines that a case of sexual abuse and/or sexual assault might have taken place, the college will fulfill its legal obligation to report the same to the appropriate law enforcement or other legal authority for appropriate disposition.

This policy does not address acts of sexual harassment, also considered sexual misconduct, which is dealt with in a separate policy, also found in this report and in the Student Handbook.

**Sexual Misconduct Offenses Include, But Are Not Limited To:**
*Non-consensual sexual intercourse* (or attempts to commit the same): Intercourse is not the same as penetration. If intercourse were the same as penetration, non-consensual French kissing could be considered oral rape. Intercourse is narrowly defined. Non-consensual sexual intercourse is any sexual intercourse (anal, oral, or vaginal), however slight, with any object, by a man or woman upon a man or woman, without effective consent. This includes vaginal penetration by a penis, object, tongue, or finger, anal penetration by a penis, object, tongue, or finger, and oral copulation (mouth to genital contact or genital to mouth contact).

*Non-consensual sexual contact* (or attempts to commit the same): Non-consensual sexual contact is any sexual touching, however slight, with any object, by a man or woman upon a man
or woman without effective consent. This includes any contact with the breasts, buttock, groin, or genitals, or touching another person with any of these body parts, or making another person touch you or themselves with or any of these body parts. Non-consensual sexual contact may also include unwanted disrobing or exposure.

**Sexual Exploitation:** Sexual exploitation occurs when an individual takes non-consensual, unjust sexual advantage of another for his/her own advantage or benefit, or to benefit or advantage anyone other than the one being exploited, and that behavior does not otherwise constitute one of the other sexual misconduct offenses. Examples of sexual exploitation include, but not limited to, prostituting another student, non-consensual video or audio-taping of sexual activity, going beyond the boundaries of consent (such as your friends secretly watch you having consensual sex), voyeurism, and/or knowingly transmitting an STD or HIV to another student.

**Definitions:**
Pursuant to Iowa Code 709, the following is the statutory definition of sexual abuse:

**709.1. Sexual Abuse Defined.**
Any sex act between persons is sexual abuse by either of the participants when the act is performed with the other participant in any of the following circumstances:

A. The act is done by force or against the will of the other. If the consent or acquiescence of the other is procured by threats or violence toward any person, or if the act is done while the other is under the influence of a drug-inducing sleep or is otherwise in a state of unconsciousness, the act is done against the will of the other.

B. Such other participant is suffering from a mental defect or incapacity which precludes giving consent, or lacks the mental capacity to know the right and wrong of conduct in sexual abuse.

C. Such other participant is a child.

**NOTE:** The term sex act or sexual activity means any sexual contact between two or more persons, by penetration of the penis into the vagina or anus, by contact between the mouth and genitalia or anus of another person, or by the use of artificial sexual organs, or substitutes therefore in contact with the genitalia or anus.

**NOTE:** A child is a person aged fourteen or younger.

**709.5. Resistance to Sexual Abuse.**
Under the provisions of this chapter, it shall not be necessary to establish physical resistance by a participant in order to establish that an act of sexual abuse was committed by force or against the will of the participant. However, the circumstances surrounding the commission of the act may be considered in determining whether or not the act was done by force or against the will of the other.

**709.11. Assault with Intent to Commit Sexual Abuse.**
Any person who commits an assault, as defined in Section 708.1, with the intent to commit sexual abuse is guilty of a Class “C” felony if the person thereby causes serious injury to any person and is guilty of a Class “B” felony if the person thereby causes any person a bodily injury other than a serious injury. The person is guilty of an aggravated misdemeanor if no injury results.

In addition to these terms as defined by the State of Iowa laws and regulations, Morningside College has identified these additional definitions as they pertain to Sexual Misconduct:

**Incapacitated Sex**
Intoxication is never an excuse for violation of this policy. To have sex with a person who know to be, or should know to be incapable of making a rational decision about sexual situation is violation of this policy. This includes someone whose incapacity results from alcohol intoxication, intoxication of other drugs, or taking so-called date-rape drugs. Possession, use and/or distribution of any of these substances, including Rohypnol, Ketamine, GHB, Burunanga, etc. are strictly prohibited. Administering one of these drugs to another student for the purpose of inducing incapacity is an offense of the most serious nature.

**Effective Consent**
Effective consent is informed, freely, and actively given mutually, understandable words or actions which indicate a willingness to participate in mutually agreed upon sexual activity. Consent is not effective if it results from the use physical force, threats, intimidation, or coercion. Silence is not consent. Previous sexual or other relationships may not be taken as indication of consent.

**Complainant (the Accuser)**
The person/persons filing the complaint with the College under the Domestic and Dating Abuse and Violence policy.

**Respondent (the Accused)**
The person/persons names as the perpetrator in the complaint who is alleged to have committed an act in violation of this policy.

**If you have experienced or are experiencing sexual misconduct, please consider the following:**

A. **Get to a safe place and seek out supportive people you can trust to assist you.**
   Contact a friend, resident assistant (R.A.), apartment manager (A.M.), head resident (H.R.), area coordinator (A. C.), residence life professional staff, campus security, campus nurse, college staff or faculty, or someone you feel safe with.

B. **Get medical attention.** If you are injured, you should consider going to the hospital of your choice as soon as it is safe and possible. Getting medical attention will allow
trained medical professional to assess and treat any injuries you may have received and answer any questions about your physical health.

a. UnityPoint Health-St. Lukes, 2720 Stone Park Blvd. Sioux City, IA
b. Mercy Medical Center-Sioux City, 801 5th Street, Sioux City, IA

C. **Preserve all evidence.** Do not change your clothes, shower, bathe or douche. If possible, do not go to the toilet. Save all clothing, linens or other items that may have been touched by the assailant so they may be given to the police for evidence. All physical evidence, including seminal fluids, hair, blood types and scrapings of flesh from the victim’s fingernails is used in court.

D. **Sexual Assault is a crime and you are strongly encouraged to report it.** Reporting sexual abuse/sexual assault DOES NOT commit you to filing a complaint with the College or criminal charges with the Sioux City Police Department. You can make that decision later.

**Reporting the Incident**

Students have the following four options to report any instance of Sexual Misconduct. You have the right to choose to do any or all of these options, or to do nothing. The choice is yours:

1. **Report the incident of abuse/violence, but choose not to file a complaint with the college or criminal chargers:**
   a. A report is a written or typed account of what happened that is taken by the Dean of Students, Associate Dean of Students, or anyone listed as an On-Campus Resource for reporting Sexual Misconduct. This report is for documentation purposes only and will be kept on record with the College.
   b. If a student wishes NOT to pursue the case through the College conduct system, the student will be able to determine that when he/she provides his/her report.
   c. If the student is unsure, he/she wishes to file a report, they are encouraged to do so anyone so that information about the incident is documented while it easily remembered.
   d. Having a sexual misconduct experience documented by a College staff member does not obligate you to report the incident to the Sioux City Police Department. Similarly, reporting directly to the Sioux City Police Department does not obligate you to file a complaint with Morningside College. These are separate processes.

2. **File a formal complaint with the College:**
   a. This report is designated as formal complaint by the complainant, and the College will investigate the incident as appropriate. A written or typed account of what happened is taken by the Dean of Students, Associate Dean of Students, or anyone listed as an On-campus Resource for Reporting Sexual Misconduct.
   b. A student will be able to choose not to pursue the case at any time throughout the process.
   c. The College will investigate the incident, which may including speaking to the respondent (the accused), witnesses, and gathering other information. The College will then make recommendation or decision based upon the information presented. The investigation may take several days or weeks, depending on the circumstances.
d. Conduct processes, as outlined in the Student Handbook, will be followed throughout the process of the complaint.

3. Pursue criminal charges
   a. A student that wishes to file criminal charges will need to file an official report of the assault with the Sioux City Police Department. Responding officers can contact the proper authorities if the assault took place outside their respective jurisdiction.
   b. On-Campus Resources for reporting Sexual Misconduct, the Office of Residence Life and Campus Security and Safety can assist you in contacting the Sioux City Police Department.
   c. Filing a report with the Sioux City Police Department does not obligate a student to follow through with legal action or action through the College.

4. Pursue both college and criminal charges
   a. The process outlined in Option #2 and Option #3 occurs at the same time.
   b. College proceedings and criminal investigations and adjudication of the incident occur independently.

Incidents of sexual abuse/sexual assault may be reported either by the victim or by another person who shall serve as a liaison with the appropriate college personnel. The information given regarding incidents of sexual misconduct will be kept confidential to the fullest extent permitted by law and be handled with the student’s privacy and discretion in mind.

Get Help and support. Counseling can provide guidance to your healing in a confidential setting. The College’s Personal Counselor can also provide referrals to supportive organizations and other off-campus resources. Personal Counseling may be contacted at 712-274-5606.

The College recognizes that persons who are victims of sexual abuse/sexual assault have an important personal need for advocacy and support. The college’s Associate Dean of Students maintains a record of advocacy and support services available, i.e., Council on Sexual Assault and Domestic Violence (712-258-7233) and other agencies that may assist in this regard. The campus and the community offer services to assist the victim of Domestic and Dating Abuse and Violence, including the transportation to the hospital, as advocates in the legal process, and in working towards psychological recovery from assault.

Confidentiality
If you have been affected by an incident involving sexual misconduct you may wish to seek confidential counseling and support. You could speak with any of the following confidentially. They will listen and explain options, and will maintain information received as private. They will not share confidential information with College personnel others unless required to do so by law. Reports of domestic and dating violence and abuse received by the College will be taken seriously and will be investigated.

Domestic and Dating Violence/Abuse may also have certain criminal and civil law repercussions. College personnel are available to assist victims in contacting law enforcement and emergency medical providers, if the student so chooses.

**Definition of Terms:**

SECURITY ALERTS
Morningside College makes timely reports to the campus community regarding crimes reported to Campus Security and Safety and/or the Sioux City Police Department that are considered a threat to other students and employees. In the case of a major emergency or severe weather, alerts are posted via the Morningside Electronic Notification System, which will alert all students, faculty and staff via a text message to their cell phone and an email to their college email account. They may also be posted in the residence halls and the Olsen Student Center. In some instances, the alerts will be broadcast via KMSC Fusion 92.9, the campus radio station. In the case of a major emergency, updates will be posted to the college website and messages will be sent out via the Electronic Notification System. In the case of the campus being closed due to weather, a message will also be sent out using the Electronic Notification System from the Academic Affairs Office. Crime and Security alerts will be issued via an e-mail sent out to all students, faculty, and staff alerting them of crimes that may put the campus at-risk for both short- and long-term periods of time. Security Alerts are advisories reminding the campus community of crime trends, not necessarily in response to a specific crime.

TIMELY WARNINGS
In the event that a situation arises, either on or off campus, that in the judgment of the Director of Campus Security and Safety or his designee constitutes an ongoing or continuing threat, a campus wide “timely warning” will be issued without delay. Emergencies where issuing a notification would compromise efforts to assist a victim, contain the emergency, respond to the emergency or mitigate the emergency aren’t subject to the emergency notification requirement. Anyone with information that would warrant a timely warning should report the information to the Campus Security and Safety Office by phone at 274-5234 or in the Security and Safety Office in the Olsen Student Center or the HJF Learning Center.

EMERGENCY NOTIFICATIONS
If there is a situation that poses an immediate threat to the campus and community, the Emergency Notification System will be used and will include a short message that the campus is in a lock down and that everyone should lock themselves in place. Emergency notifications will be sent out without delay, and taking in account the safety of the community, determine, the content of the notification, and initiate the notification system, unless issuing a notification will, in the professional judgment of the responsible authorities, compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency. Further details will be sent out as warranted. If the situation warrants and there is information available, information may be posted to the campus website to inform the community and parents.

When the campus is in lockdown, everyone should lock themselves in their current location, turn off lights, radios, computers, and turn cell phones to silent or vibrate. It is encouraged to get out of sight and remain out of sight until it is safe to leave. It is encouraged if possible and you are able to call and give information concerning the situation without putting yourself in danger to assist Campus Security and Safety and the Sioux City Police Department. When it is safe, an all-clear will be issued via the Emergency Notification System or if you are asked to go with a member of the Sioux City Police Department when they are sweeping through a building.

EMERGENCY PROCEDURES
Morningside College maintains an emergency response plan to guide it through a sensitive or dangerous situation. Examples are, but not limited to, fires, explosions, natural disasters, and violent crime events. When such an event is verified, the college community will be notified via the Emergency Notification System and action will be taken immediately to isolate the affected area, remove those in the affected area, and stabilize the area pending arrival of emergency response organizations. An emergency will be declared and the college Emergency Operations Center (EOC) will be established to resolve the situation and support any non-campus organizations called in to resolve the situation. When the EOC had determined the emergency has ended and it is safe to return to campus or resume regular activities, notice will be sent out to the entire campus community. Depending on the duration of an emergency, information will be sent out to the campus alerting them of the status of the situation.

**Process of alerting campus and surrounding area**

1. Once a report is received by Campus Security and Safety, the Director of Security and Safety, Assistant Director of Security and Safety, or a designee will check its validity if possible.
2. If possible, the Director of Security and Safety or his designee will confer with the Associate VP of Business and Finance/Controller on the report.
3. If not possible, an alert will be sent out to the campus that a report has been received without any delay. If only a portion of campus is affected, that affected segment will be notified if this is possible. If the report requires the entire campus to be notified, an alert will be sent to the entire campus via the Emergency Notification System.
4. Depending on the situation, the alert will include information on what to do such as locking in place, evacuate the area, shelter in place, and so on. This will be determined at the time of the report and the appropriate notification will be sent out.
5. Information will be sent to the local media if it is deemed necessary to ensure the safety of those around campus.
6. Information will be sent to the local school district as an elementary school is next to campus to ensure they are in lock down if necessary.

**TESTING OF EMERGENCY RESPONSE AND EVACUATION PROCEDURES**

Evacuation drills are coordinated by Campus Security and Safety and Residence Life in all the residence halls and apartments four times a year. Students will learn the locations of the emergency exits in the buildings and are provided guidance about the direction they should travel when exiting each facility for a short-term building evacuation. Campus Security and Safety and Residence Life does not notify residents in advance about the evacuation drills to mimic a real-life situation so they will treat it accordingly. Designated long-term locations are planned out depending on the location of the residence hall and any events that may be going on at that specified time. Campus Security and Safety and Residence Life will make the determination if a long-term location will be needed at the time of the incident and plan accordingly.

Email notifications are sent out concerning evacuation procedures concerning academic buildings. Faculty and staff are encouraged to communicate with their students and their respective offices on where they will meet if they do need to evacuate and what to expect.
The entire campus is notified of emergency procedures every semester via email and during hall meetings in the residence halls and meetings held in the academic buildings with faculty and staff. All tornado shelters are clearly marked on campus and the list is communicated to the entire campus so they can prepare in the event they need to be used. The campus is notified of what to do during all types of emergencies via emails and during meetings and information posted in the residence halls and academic buildings. This information is also readily available online on the Campus Security and Safety website.

MORNINGSIDE COLLEGE CRIME STATISTICS

Annual Disclosure of Crime Statistics
Morningside College Campus Security and Safety prepares this report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crimes Statistics Act (Clery Act) (20 USC § 1092). This report is prepared by Department of Campus Security and Safety in cooperation with the local law enforcement agencies surrounding our campus, Department of Resident Life, the Campus Judicial Officer, and Student Services. Each provides updated information on crime statistics and their educational efforts and programs to comply with the Clery Act.

Campus crime, arrest and referral statistics include those reported to the Campus Security and Safety Office, designated campus officials, (including but not limited to directors, deans, department heads, resident life staff, advisors to students/student organizations, and athletic coaches), and local law enforcement agencies. Student Services and counseling staff inform their clients of the procedures to report crime to Campus Security and Safety on a voluntary or confidential basis, should they feel it is in the best interest of the client. A procedure is in place to anonymously capture crime statistics disclosed confidentially during a session.

Each year, an email notification is made to all enrolled students, faculty, and staff that provide access to this report. Copies of this report may also be obtained at the Campus Security and Safety Office located in the Olsen Student Center or the HJF Learning Center or by calling 712-274-5234. All prospective employees may obtain a copy from Human Resources located in the Business Office that is located on the first floor of Lewis Hall or by calling 712-274-5114.

The following criminal occurrences were reported to Campus Security and Safety. The statistics are presented in accordance with the requirements of the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (20 USC § 1092). The definitions for these crimes are taken from the FBI’s Uniform Crime Reporting Program, as modified by the Hate Crime Statistics Act. These statistics are drawn from Campus Security and Safety files, Residence Life records and campus security authorities (coaches, faculty, staff, etc.), as defined by the Clery Act.

FIRE REPORT INTRODUCTION

Morningside College takes precautions to prevent fires from occurring in all campus residence halls. The Residence Life Staff, Campus Security and Safety, and building maintenance and custodial staffs are all trained in how to use fire extinguishers, how to evacuate students and staff, and how to call Sioux City Fire Rescue yearly. All fire extinguishers are checked yearly by law and if one is noticed to be missing and/or used, it is immediately replaced or recharged for future use.

However, it takes precautions by everyone, including all students that are living in the residence halls to help prevent fires from happening at all. Students can take precautions such as not leaving laptop computers on beds or blankets, not using open flames (candles, matches, lighters) in the dorms and checking electrical cords to ensure that if they are torn, they are replaced.

ITEMS NOT PREMITTED IN THE DORMS
The following are not permitted in the residence halls at any time:
- Open flames (candles, lighters, matches)
- Smoking
- Microwaves in the room
- Hot Plates in the room
- Portable heaters

EVACUATION PROCEDURES
Once the fire alarm is set off, Residence Life staff will evacuate all those in the dorm and move them to the safest place possible away from the building. Residence Life staff will go from room to room and enter the room and tell those in the room that they need to evacuate immediately. Those students found not in compliance are fined for failure to evacuate. They will then proceed to the fire panel box to see where the alarm is located and go investigate the problem. Most the residence halls are on an automatic call from our alarm company, Midwest Alarm, to call Sioux City Fire Rescue. Residence Life staff will at no time put themselves in danger to put out a fire. If they are unable to extinguish the fire with an extinguisher, they will evacuate and let Sioux City Fire Rescue know of the location and extent of the fire if one is present. Once Sioux City Fire Rescue gives the “all-clear” to Campus Security and Safety and/or Residence Life, students will be allowed to re-enter the dorm and rooms. If there is an extended period of time that the students may be outside during inclement weather, they will be moved to another building until the situation is resolved. If there happens to be a fire and the building is not suitable for occupancy, temporary housing will be provided on campus in cooperation with college staff and the Siouxland Red Cross if warranted.

During inclement weather students will be moved inside to another building to keep them out of the elements.

Reporting Fires
If a fire does occur on campus, students, faculty, and staff are to call 911 and Campus Security and Safety to notify them of the situation. Security and Safety staff also notifies the Director and
Assistant Director of Security and Safety when there are alarms on campus and when Sioux City Fire Rescue is on scene. If there is a fire, the Director and/or the Assistant Director of Security and Safety will respond accordingly along with the Director of Facilities and Vice President of Communications and Marketing. When a fire occurs in the residence halls, the Director of Security and Safety and/or Assistant Director of Security and Safety will notify the Vice President of Business and Finance, Vice President of Student Services, Vice President of Communications and Marketing, Associate Dean of Students, and the Provost, the Vice President of Advising, and the President.

**WHO TO REPORT FIRES TO**

Per federal law, Campus Security and Safety is required to annual disclose statistical data on all fires that occur in on-campus student housing facilities. Listed below are the non-emergency numbers to call to report fires that have already occurred and been extinguished in on-campus housing. These are fires for which you are unsure whether Campus Security or Residence Life may already be aware. If you find evidence of such a fire, or you hear about such a fire, please contact one the following:

**FIRE SAFETY EDUCATION AND TRAINING PROGRAMS**

Fire safety education programs for all students living in on-campus student housing and all employees that have any association with on-campus student housing are held at the beginning of each academic year. These programs are designated to: familiarize everyone with the fire safety system in each housing facility, train everyone on the procedures to be followed in case there is a fire, and distribute information on the college’s fire safety policies. Everyone is made aware that there are maps in each dorm room of the nearest evacuation route from their rooms in the case of a fire and where fire pull stations are located as well. During these times, it is stressed that at any time the fire alarm goes off that it should be treated as a real fire situation. Students with disabilities are assisted by the “buddy” system. There are also fire drills done each semester to help educate students and residence life staff of what to do in the event of a fire.

Faculty and staff have building meetings where fire safety is addressed. They are reminded of how to use a fire extinguisher and fire safety. They are reminded that certain items are not allowed in offices or on campus due to the fire risk.
Each semester an email reminder about fire safety is sent out. This includes of what to do during a fire alarm, what items are not permitted in the residence halls, and that they should not put their life at risk to try to put out a fire.

**2013 Fire Drills:**
March 26th, unannounced, done by Campus Security and Safety and Residence Life @ 2:30pm
July 25th, unannounced, done by Campus Security and Safety and Residence Life at 1:30pm
Sept. 26th, unannounced, done by Campus Security and Safety and Residence Life, 3:30pm
Dec. 16-18th, announced, done by Campus Security and Safety, Midwest Alarm, facilities, and Residence Life, all day

Fire Extinguisher Training is done by Sioux City Fire Rescue Fire. Residence Life members and Campus Security and Safety staff members went through exercises conducted by SCFR.

If a fire does occur, students are instructed to leave the area per the evacuation routes and get outside as quick as possible before calling 911 for help. They are to remain outside until all students have left the building. RAs are instructed to pull the fire alarm as they leave the building if they can do so without risking their personal safety. They may also try to put the fire out with a fire extinguisher if possible and not risking their personal safety as well.
