

FOUR YEAR PLAN_2020 Curriculum

Step 1: Familiarize yourself with all Morningside College policies & degree requirements. Review your academic & experiential plans regularly.

Step 2: Look up your **Degree Progress** for major and general education requirements, course descriptions and prerequisites.

Step 3: Four Year Plan should always remain flexible. Plan on a combination of major courses and general education courses in each semester. Note courses that must be taken in certain semesters. Students with Junior or Senior standing may not register for 100 level courses.

General Education Requirements
