

# ACCESS TO MSIDE

***For First-Time,  
Full-Time  
Undergraduate  
Students  
Enrolling for  
2024-2025***

**One more way we are working to make a Morningside education possible for more students.**

Morningside University offers students like you a personalized small, private university experience on a safe, comfortable campus located in Iowa's fourth-largest city. Morningside is a place where you can thrive and quickly become part of our close-knit campus community and be assured by the fact for the last decade, 99% of our graduates have gotten a job or headed to grad school within six months of graduation.

Additionally, Morningside University is a great value. We hear all the time that many families feel like they can't afford private college, but the truth is that as a private university we offer a wide range of scholarships and grants that allow us to be as affordable or more affordable than state colleges and universities.

Access to Mside is our commitment to help streamline paying for college. The baseline package for any new, full-time undergraduate student enrolling for 2024-2025 is outlined below and include all grants and scholarships available through Morningside, as well as federal and state assistance. Pell-eligible students\* from Iowa; South Sioux City, Neb.; or Schuyler, Neb. should contact admissions to learn about the Access to Mside packages specific to those communities.
