

Student Name:

Morningside University Nylen School of Nursing Suggested RN-BSN Plan of Study

It is anticipated that students who select full-time plan of study will only need to take nursing courses. If they need some general requirements, they can select from Morningside University's online offering or takes courses elsewhere and transfer them in. Note that, plans of study can be adjusted at any time to meet student needs. Students may take one to several courses at a time however, to maintain Financial Aid student must be enrolled in 6 credits or less.
