Advising and Registration

Each student should meet with his/her advisor according to the advising schedule below to determine a schedule for the 2026/20 Spring Semester.

On the assigned date for registration (see registration schedule below), you will go into JICS and enter your own registration as determined by you and your advisor. Once you submit your registration, it will go to your advisor for approval or rejection. When you receive notice (via campus email) that your registration has been approved, you may check your schedule for the 2026/20 Spring Semester on JICS. If you are not allowed to register for an individual course, you should submit all other courses, then go to your advisor to add the final course(s). You may change your own registration online as long as it is done during the designated times for your class. After that time, you will need to go to your advisor to submit any changes.

****ADVISING AND REGISTRATION DAYS WILL BE DETERMINED BY CLASS STANDING. YOUR CLASS STANDING IS DETERMINED BY THE NUMBER OF HOURS COMPLETED AT THE TIME OF ADVISING AND REGISTRATION. THIS TOTAL CAN BE FOUND ON JICS.****

Fall 2025 Advising and Registration Schedule

October 10 (Friday)	Course Books Available
October 13 (Monday) to November 14 (Friday)	Advising for All Students
November 18 (Tuesday @ 7 am)	Registration for Seniors (91 hours or more)
November 19 (Wednesday @ 7 am)	Registration for Juniors (58-90.99 hours)
November 21 (Friday @ 7 am)	Registration for Sophomores (27-57.99 hours)
November 24 (Monday @ 7 am)	Registration for Freshman (Less than 27 hours)

FINAL EXAM SCHEDULE

Final examinations for the 2026 Spring Semester will begin Wednesday, April 29 and go through Tuesday, May 5, 2026. Scheduled times for the examinations will be published at a later date.

FINAL EXAM POLICY

Final exams occur during the last few days of each semester. All classes should meet during the final exam period, even those in which no exam is given. A 2-hour block is designated for each exam period. The exam schedule is on the Registrar's Office web sites. It is the responsibility of all students to be properly informed as to the time and place for each of their final exams. The following guidelines are used for Exam Week:

1. All final examinations must be given during the final exam period.
2. Instructors are not required to give final exams; however, the final exam class period must be used for regular class instruction or some other class activity.
3. All classes scheduled at traditional times throughout the day are assigned one exam class period during finals.
4. Evening classes are scheduled for exams at their regular meeting times.
5. Extra-curricular activities may not be scheduled during the final exam period. These activities include athletic events, trips, dramatic productions, operation of the campus radio station, music recitals, faculty committee meetings, student organization activities, and other similar activities.
6. Students who have three final exams scheduled on the same day may request an alternate makeup final examination time from one of their instructors. If a student has two or more final exams scheduled for the same exam period, they also may request a makeup final examination time from their instructor.
7. Faculty seeking to change the time for which a final exam is scheduled must receive prior approval by the Office of Academic Affairs, which will be given in only the most extreme of circumstances.
8. Student requests to change final exam times must be approved by the Associate Vice President for Academic Affairs and will be granted in only the most extreme of circumstances. Travel plans, job interviews, family events, or other personal reasons do not constitute valid excuses.

****The University reserves the right to change instructors or cancel or otherwise change courses should conditions require. However, every attempt is made to maintain this schedule as published.****

****In order to more evenly distribute students between various sections of courses, the University also reserves the right to move a student to a different section of a course provided there are no course conflicts. If a student has any other types of conflicts (i.e. work, athletic practice, music rehearsal, etc.), he/she will need to get approval from the Associate Vice President for Academic Affairs to maintain the original schedule.****

****Students are responsible for knowledge of the information contained in the University Catalog concerning degree requirements and regulations regarding registration and withdrawal procedures.****
